Suggestions for Improvement:

Excellent course & instructor! very engaging.

Course is very condensed with only applicable information. Very thorough review with how to functionally utilize the resources available & requirements.

would highly recommend the course!

Suggestions for Improvement:

Awesome presentation!

Suggestions for Improvement:

\* NO IMPROVEMENT NECESSARY! - TRAINING GUIDE & FDA HAZARD WERE WRITTEN IN CLEAR LANGUAGE EASY TO UNDERSTAND. INFORMATION WAS ORGANIZED WELL. PERSONAL INSTRUCTION WAS VERY INFORMATIVE & HELPFUL. SCOTT NOT ONLY REVIEWED ALL MATERIAL BUT TOOK EXTRA TIME TO ANSWER MY MANY QUESTIONS. TOTALLY ENJOYED THIS COURSE.

Suggestions for Improvement:

Overall the course was very good. Running through one more HACCP plan example would be good.

Or taking examples or working up a plan for someone in the class (one of their species / processes).

Suggestions for Improvement:

Great class and easy to understand! Thank  
you so much

	1	Having real life situations
		of going through the guidance
		manual was a huge too
		in learning. I learnt
		much more in this class
		than the online class.

Suggestions for Improvement:

Great Course!

	1	It was helpful to have someone
		in person go through the process.

THE SPEAKER WAS VERY GOOD  
AND HAD A LOT OF KNOWLEDGE

THE EXERCISES AND  
SUMMS OF THE  
DIFFERENT CHAPTERS

WERE VERY GOOD, EXCELLENT  
IN CLIPPING ALL THE  
ASPECTS OF THE CHAPTER.

WE LEARN HOW TO USE  
THE MANUALS, AND  
APPLYING TO OUR DAILY  
WORK.

Suggestions for Improvement:

I really enjoyed Scott. He did a great job teaching & explaining HACCP. Everything really made sense to me once Scott explained the Hazard Analysis Worksheet. This class is highly recommended. Loved it!
